

Volunteer Job Description for

Flower Basket Waterers

Objective: To provide service to the Senior Center by applying water to flower baskets in the downtown area. This service is typically completed during the early morning hours (approximately 7:00 a.m) to avoid traffic.

Duties:

1. Safely operate a Senior Center owned golf cart through downtown area
2. Report to Senior Center at a pre-determined time to pick up golf cart
3. Work with a partner- one to drive cart and one to operate the watering wand
4. Stop at each flower basket to apply water
5. Return cart after shift and re-fill water tank for next day

Additional Duties for Leader:

Maintain golf cart- charge battery, check tires, arrange for other repair maintenance
Coordinate with sponsoring agency for fertilizer and other supplies

Qualifications: Ability to safely operate a golf cart and/or be able to repeatedly raise watering wand above head

Accountable to: Senior Center Director and Flower Basket Watering project leader
