

Buckham West

19 Division St. W.
Faribault, MN 55021
507-332-7357

Consider supporting Buckham West with a Membership!

Did you know that Buckham West relies on memberships, donations and contributions for approximately 80% of our operating fund?

Being a Buckham West member is a great way to show your support throughout the years! Buckham West is hub of activity for seniors in the Faribault and surrounding area. Our non-profit, membership based organization is designed to enhance quality of life for those over the age of 50. We work to offer programming that helps older adults make connections with others as well as encouraging life-long learning.

Membership Benefits include:

- Low or no cost educational, informational and entertaining programming
- Members Only activities such as Great Courses, card games, book club and the Life-Writing group
- Reduced Fees for certain programming such as speakers and presentations
- Weekly emailed newsletters to keep you up to date on current programs, services & activities

Another reason to celebrate your membership is that with your membership dollars, we will continue to offer many programs and services to the public free of charge. Buckham West has a long tradition of partnering with other agencies in service to our community's older adults. Services such as Semcac Senior Nutrition, Three Rivers, Meals on Wheels, Catholic Charities, Family Services and Neighbors Helping Neighbors have a place in Faribault due, in large part, to Buckham West's provision of a local facility from which they can operate.

Volunteer Opportunities

We also have many volunteer opportunities available and rely on them to help us in a variety of ways. There are opportunities to serve on the board of directors, flower basket watering in the summer, morning receptionist, providing funeral escort services, dining room attendant, or working at Fashions on Central.

"Age is a work in progress. Aging is but a new stage of growth and opportunity."
